Fill a shallow pie pan or other shallow container with an inch of water. Encourage your baby to splash the water with their hands. Keep towels handy for cleanup. Talk about the Bible story.

**SAY:** *Jesus healed a man who could not walk. The man thought the water could heal him, but it was Jesus who healed him. Jesus said He is God's Son. **God created people for His glory.***

## TODDLERS

### BIBLE STORIES FOR TODDLERS

Share this story with your toddler throughout the week!

Jesus went to Jerusalem and stood by a pool called Bethesda (buh THEZ duh). He saw a man who could not walk. Jesus said, "Do you want to get well?" The man said, "I have no one to put me in the water. Another person always gets in the water before me." The man thought if he could be the first one in the water, he could be healed. Jesus told the man, "Get up, pick up your mat, and go home." The man obeyed Jesus—he could walk! It was the Sabbath. Some people were upset that Jesus healed the man on the Sabbath day. Jesus said, "My Father is always working, so I am working too." Jesus told people that He is God's Son.

### TODDLER ACTIVITIES

#### ROLL AND WALK

Provide a towel for your toddler to sit on as you review the Bible story. When you say, "Pick up your mat and walk," guide your toddler to roll up the towel and stand up.

**SAY:** *Instead of praising Jesus, people were upset that Jesus healed the man. Jesus said He is God's Son **God created people for His glory.***

#### MARCH AND MOVE

Invite your toddler to line up behind you. March around the room, pumping your knees and arms. Encourage your toddler to mimic your movements. Touch your head, flap your arms, or do other motions. Older toddlers may be able to lead. Tell the story.

**SAY:** *Jesus healed a man who could not walk for a long time. The man could walk after Jesus healed him! **God created people for His glory.***
