BABY ACTIVITIES

WILDFLOWER WALK

Place your baby in a stroller to go on a walk outside. Encourage your baby to look at the flowers you find along the way. Talk about the Bible story.

SAY: *JESUS TAUGHT ABOUT GOD, who takes care of us. Jesus said to seek God's kingdom first. If God gives the flowers pretty petals, He will certainly give us what we need.*

CARING CONVERSATION

As you care for your baby throughout the day, share exactly what you are doing. "Ok John, it's time to go for a walk! Mommy is going to gently pick you up now. Next, we are going to walk to your bedroom to get your jacket. It's a little chilly this morning and mommy wants to make sure you are comfortable!" Talk about the Bible story. Remind your baby that Jesus said God knows what we need.

SAY: *Jesus taught about the things we own. Jesus said to seek God's kingdom first, and He will take care of us. JESUS TAUGHT ABOUT GOD.*

TODDLERS

BIBLE STORIES FOR TODDLERS

Share this story with your toddler throughout the week!

One day, Jesus taught His friends about the things we own or want. Jesus said, "Do not worry about your life. Do not worry about what you will eat or what you will wear. Look at birds. They do not plant seeds or gather crops, but God feeds them. You are more important than birds! Look at the wildflowers. They do not work or make clothing, but they are better dressed than King Solomon in his fancy clothes. Your Father knows what you need. Seek God's kingdom first, and God will give you what you need. Give to the poor, and you will have treasure in heaven. Where your treasure is, that is where your heart is too."

TODDLER ACTIVITIES
