New Year's Day, MLK Day, Monday after Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving and the day after, Christmas Day and the day after.

#### **Teacher Workdays:**

Throughout the year, the weekday drop-off program is closed so that our teachers are able to engage and grow in professional development courses.

Parents will be notified via email and/or mass text when the weekday drop-off program is closed due to severe weather.

Reservations may be made up to three weeks in advance. Reservations cannot be made in person or by phone. Due to licensing restrictions, each child may attend the weekday drop-off program no more than two days per week.

## LATE POLICY

The Nest is open from 9am-1pm with a firm 1pm pick-up time. If you believe you will arrive after 1pm to pick up your child, please call our Nursery Manager at 404.842.5839.

If you are late to pick up your child, you will sign a standard form stating the date, child's name, and pick-up time. This form will go in your file. After three late forms, your child will no longer be able to utilize the Nest as a childcare option.

This late policy protects our staff and your children, as our accreditation only allows children to attend the Nest for 4 hours at a time.

### SAFETY AND SECURITY

Because God has entrusted us with the responsibility of caring for His children, security is a priority at Peachtree Church. Our facility is monitored by video surveillance and able to be completely secured, if necessary.

All children using The Nest must be signed in at one of our secure, computerized check-in stations in The Nest lobby. You will receive a printed name tag to be placed on the back of your child's garment, as well as your parent security tag. Both tags include a unique alphanumeric code that serves as your identification when picking up your child. The parent tag is designed to be torn in half so that it can be shared with a spouse or other caregiver.

To help ensure the security of our children and the cleanliness of floors, parents are asked to remain in the hallway rather than entering the classrooms when dropping-off and picking-up their children.

Teachers will receive and dismiss children at the classroom door.

## SICK POLICY

While we welcome the opportunity to love on your child, we respectfully request that you do not bring your child to The Nest when he/she:

- has vomited in the past 12 hours or feels nauseous
- has had diarrhea in the past 12 hours

#### 24 Hour Rule:

If a child has been on antibiotics for 24 hours, without fever for 24 hours (without the use of fever-reducing medicine), and shows no other symptoms for 24 hours, it is considered safe for them to be in a nursery setting.

The Nest reserves the right to require a doctor's note upon readmittance, if necessary. In addition to a doctor's note, your child must also comply with the 24 hour rule of symptoms listed above, before returning to The Nest.

As always, if your child is diagnosed with a contagious illness and has possibly exposed other children in The Nest, please contact **Ashley Grandchamp**. The sooner we are aware, the quicker other parents are able to be notified and our staff is able take precautionary measures to effectively detail the space.
